123Movies Pirates Of The Caribbean 1

All of them are great, but may not prove to be as fun if not for the incredible visual effects, makeup, and action.. But really, the movies would not be the same without the perfect music played over the action and adventures.. Make a feature length film based on a ride at your theme park that just didn't seem like something logical to do at the time.. Immortally cursed pirates just begin to mark the lovable weirdness of this film Almost as well known as the characters and the film itself is the score by Klaus Badelt and Hans Zimmer.. Just below that it reads Ticket Confirmation: followed by a 10-digit number For the roguish yet charming Captain Jack Sparrow, the crystalline waters of the Caribbean, like the high seas the world over, present a vast playground where adventure and mystery abound.. An even better move was not leaving the entire film up to Sparrow to lead Complementing the zaniness of Sparrow is the elegant but fierce Elizabeth Swan and the mysterious and brave Will Turner (played by Keira Knightley and Orlando Bloom respectively).

It happens gradually in Black Pearl, seemingly allowing viewers to adapt to the unknown shores of the series without feeling overwhelmed.. But Jack's idyllic life capsizes after his nemesis, the wily Captain Barbosa, steals his ship, the Black Pearl, and later attacks the town of Port Royal, kidnapping the Governor's beautiful daughter, Elizabeth Swann.. However, with a talented group of actors, a swashbuckling script, and one hell of a musical score, the first Pirates of the Caribbean is an absolute joy on all fronts.. The duo and their crew are pursued by Elizabeth's betrothed, the debonair, ambitious Commodore Norrington, aboard the HMS Dauntless.. One of the best things this series, and particularly the first film, did so well is create a mythology and universe surrounding Pirates in and around the Caribbean.. A lot of its fun swordplay and grim family history, but the supernatural elements play just as well.. Perhaps, never really being topped in any way by its successors Starting a new franchise is bold these days, which is why Disney made the right move in hiring Johnny Depp as the charming and sometimes irreverent Captain Jack Sparrow.
